

CHART A COURSE TO FISCAL HEALTH

Most back-office providers stop at the false summit. They cover bookkeeping and payroll, but reaching that plateau isn't the true peak.

Charter Impact takes schools higher with comprehensive services, tailored planning, multi-year forecasts, integrated student data, and board-ready insights.

TRUE SUMMIT

Strategic Financial Guidance

Weekly Recurring Tactical Meetings

Operational Platform Integration

FALSE SUMMIT

State-mandated data submissions

Annual budget development

Payroll processing

General bookkeeping
